INSTRUCCIONS PER AL BINGO

Les 8 primeres fulles són les cartolines de joc per a cada participant (fins a 8 persones). Les darreres pàgines són targetes de cada element per retallar.

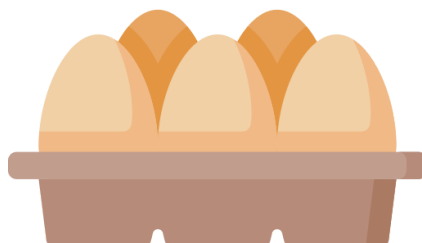

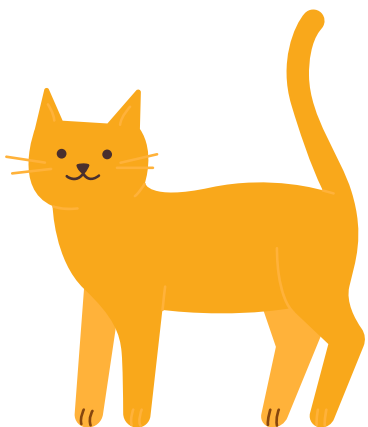

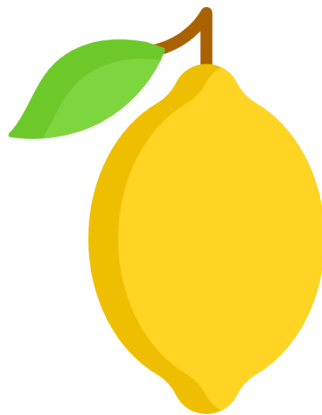

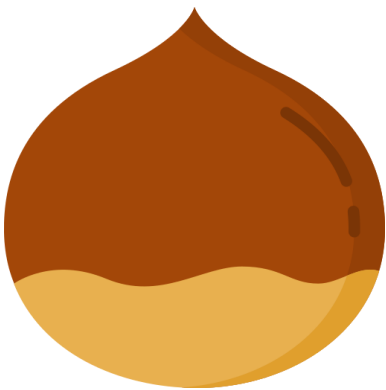

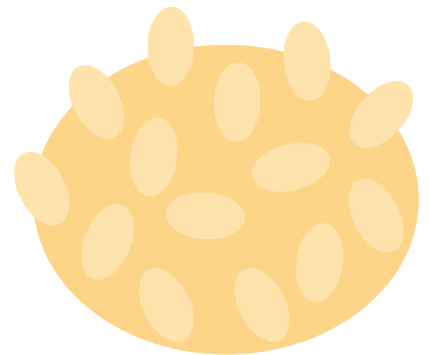

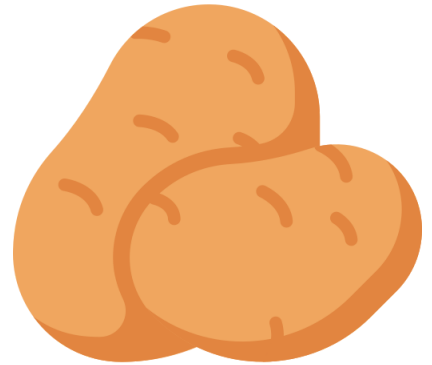

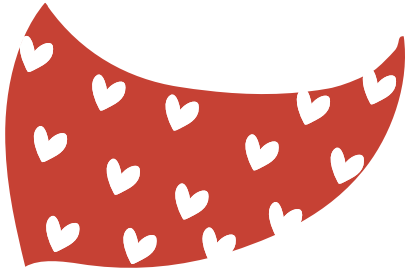

Cal retallar les targetes petites i posar-les en una pila. Cada jugador/a tindrà la seva cartolina, i una altra persona s'encarregarà de treure una targeta i anomenar quin element hi apareix. Els participants hauran de tapar amb una fitxa (o qualsevol altre element) la cosa anomenada, si és que la tenen a la cartolina.

El primer o la primera que completi tots els elements de la cartolina, guanya el bingo. També pot guanyar la primera persona que completi una línia, ja sigui en horitzontal o vertical.
